

## VPN access University of Applied Sciences of the Grisons

---

1. Make sure, that you are connected to the Internet.
2. Start your Internet browser (e.g: Internet Explorer, Firefox etc.).
3. Type in the URL <https://vpn.fhgr.ch>

The screenshot shows the login page for the Junos Pulse Secure Access Service at HTW Chur. The page header includes the HTW Chur logo and name. Below the header, it says "Welcome to the Junos Pulse Secure Access Service". There are two input fields: "Username" and "Password". To the right of the "Username" field, it says "Please sign in to begin your secure session." Below the input fields is a "Sign In" button.

4. Login with your username and password of the University of Applied Sciences of the Grisons.
5. When first connected to the VPN, you have to install a small tool. Let the Internet Explorer install the appropriate ActiveX.

or

6. After this installation the VPN-access will be started.

7. In the taskbar a new symbol will appear:

with inactive VPN:

with active VPN:

For any further logins step 5 is unnecessary.
