

Use the Public WLAN without a FHGR account

1. Connect to the "public" WLAN network.

2. Open an Internet browser (e.g. Internet Explorer, Firefox, etc.). The browser is automatically redirected to a page where you can enter your username and password.
If you already got an account go on with step 7.
3. Click on "Signup".

Login for the public WirelessLAN

Username	<input type="text"/>
Password	<input type="password"/>
	<input type="button" value="Login"/>
	You don't have sign in data already?
	<input type="button" value="Signup"/>

4. Type in your name, first name and your mobile number. Read the "Directive governing use of IT resources of the University of Applied Sciences of the Grisons" and select the check mark. Then click on "Register".

Registrierung

By registering your details you will receive a text message with free username/password for 12 hours.

Name	<input type="text" value="Muster"/>
Firstname	<input type="text" value="Hans"/>
