

## RuckZuck-Installation

---

The RuckZuck software is free for all employees and students. For a correct installation, you have to follow the following steps strictly.

1. Download the necessary files in the download section on the intranet (<http://my.fh-htwchur.ch/index.php?id=download>) of the HTW Chur.
  - a. RZ60024StudSetup.zip

The screenshot shows the HTW Chur intranet interface. On the left is a navigation menu under the heading 'Intranet' with items: Home, Studium, Campus, Informatik, Personal, Bibliothek, Marketing und Kommunikation, Vinavant, Mitwirkung, Ideenmanagement, Qualitätsmanagement, Wissensmanagement, Rektorat, Diversity und Chancengleichheit, Lernende, Downloads (highlighted), and Glossar. On the right is the 'Downloads' section, which is expanded to show a list of folders and files. The folders include Administration, Bibliothek, Diversity, Finanzen, Forschung, Hochschulsport, Informatik, Hardware, Servicekatalog IT, Software, /pulsesecure, EveryonePrint - Android APP, McAfee, RuckZuck (Studenten Version), Zemax OpticStudio, Treiber, and temp uh. The file 'RZ60024StudSetup.zip' is highlighted in blue. Below the folders are several PDF files: Druckpreise ab April 2018, Druckpreise ab April 2018\_englisch, IT-Einführung, Informatikreglement, and Informatikreglement englisch.

2. Extract the file RZ60024StudSetup.zip into a folder of your choice (Right click on the file -> "Extract to..." or similar).
3. Execute "Setup.exe".
